

Inclusion Warm Line (863) 733-9080

Technical Assistance is available to assist Early Education Providers in working with children who may have unique or special needs. Assistance is available on topics such as:

- ❖ Child Development
- ❖ Curriculum
- ❖ Activities and Planning
- ❖ Social & Emotional Health
- ❖ Community Resources

For additional information and resources, please call the Florida Directory of Early Childhood Services at 1-800-654-4440, or visit their website at www.centraldirectory.org.
